Terms and Conditions of Warranty

- To validate this warranty, the 'Registration of Purchase' form can be completed online at www.waterquality.net or mailed within 30 days of installation.
- We warrant that all internal electrical components of the UltraPure™ pool Ozone Generator are free from defects in material and workmanship from the date of delivery to the first owner. This warranty is not transferable.
 Inground Models:
 Two Year conditional warranty is from the date of delivery to the first owner. The first year warranty covers parts and labor. The second year is parts only.
 This two year conditional warranty is based on a run time of 6 to 8 hours per day. If the unit is set to run continuously (24 hours per day), the warranty period will be reduced to one year (parts and labor) for all internal electrical working components.
 Above Ground Models:
 One year parts only is from the date of delivery to the first owner.
- To make a warranty claim you must call 877 281 7603 to obtain a Return Goods Authorization Number (RGA) or Authorized Service Number. No claim or service call will be accepted or completed without an approved number.
- This warranty supersedes any previously printed or issued warranty.
- Warranty will be void if manufacturer's installation instructions were not followed.
- Warranty will be void unless our factory approved parts were not used and properly installed by an authorized representative according to UWQ recommendations contained in the Owner's Manual.
- Warranty does not extend to parts misused, mishandling, neglect, accident, damage, flood, fire or other causes beyond the control of the manufacturer. The warranty does not extend to consequential damage.
